Declaration of Conformity to EU RoHS

Products listed below that are manufactured by International Hydraulics Inc (IHI) are in compliance with The European RoHS Directive 2015/863/EU (RoHS 3), which restricts the following substances in electrical and electronic equipment. In addition, this declaration of conformity is issued under the sole responsibility of International Hydraulics Inc. IHI does not use any of the Restricted Substances as components in its mechanical wire termination products except in some listed products that include permitted levels of lead (Pb) under the exemption Annex paragraph 6(a)(b)(c).

Lead (Pb) Exemption 6 free machining alloys for only parts listed “9 of 10”

- Steel Alloys 0.35% by weight maximum
- Copper Alloys 4% by weight maximum
- Aluminum alloys 0.4% by weight maximum

Specifically, mechanical wire termination products manufactured do not contain the substances listed below in concentrations greater than the listed maximum value.

Substance	Maximum Limit (ppm)
Lead (Pb)	1000
Cadmium (Cd)	100
Mercury (Hg)	100
Hexavalent Chromium (Cr6+)	1000
Poly Brominated Biphenyls (PBB)	1000
Poly Brominated Diphenyl ethers (PBDE)	1000
Bis(2-Ethylhexyl) phthalate (DEHP)	1000
Benzyl butyl phthalate (BBP)	1000
Dibutyl phthalate (DBP)	1000
Diisobutyl phthalate (DIBP)	1000

Products do not contain Deca Brominated Diphenyl Ether (Deca BDE) legislated under the provisions of the European Commission Decision of 13 October 2005 (2005/717/EC), and do not contain as intentional additives Perfluorooctylsulfonates (PFOS) legislated under the provisions of the European Parliament and Council Directive 2006/122/EC (30th amendment to EU Directive 76/769/EEC).

REACH

It is hereby certified that IHI complies with the Registration Evaluation Authorization and Restriction of Chemicals (REACH) Directives to this extent: IHI is a manufacturer of articles. IHI has taken the initiative to review itself and its suppliers for the (181) substances that are under consideration for treatment as Substances of Very High Concern (SVHC) candidates. IHI has confirmed to the best of its belief, that its products do not contain any of the listed substances in concentration >0.1% weight per supplied article, substance or preparation weight.

List of products that are Lead Free “10 of 10” RoHS & REACH compliant:

10850	11941-HEX-375	14141	14240
11703	11941-L	14141-M	14241
11703-M	13475	14236	15717
11939	13562	14237	15718
11941	13571	14237-M	
11941-M	13627		

List of products that are “9 of 10” RoHS & REACH compliant (permitted limited lead under exemption 6) :

“Exempted Lead RoHS 9/10” Parts contain lead – [CA Prop 65](#)

11181	11489 12786	14224	14225
--------------	------------------------------	--------------	--------------

China RoHS Lead Free

Applies to all parts labeled "[Lead Free 10 of 10 RoHS & REACH Compliant](#)" in the above Tables

COLD FORMED SCREW OR STAINLESS STEEL SCREW

有害物质符号:

California Proposition 65 Statement

WARNING: Products listed as "[Exempted Lead RoHS 9/10](#)" can expose you to chemicals including lead, which is known to cause cancer, birth defects, or other reproductive harm. For more information go to p65warnings.ca.gov

Proposition 65 is a California law that has been in effect since 1986 to promote clean drinking water and to require businesses to provide a clear and reasonable warning before exposing individuals to consumer products containing chemicals known to the state to cause cancer, birth defects, or other reproductive harm. Proposition 65's formal title is "the safe drinking water and toxic enforcement act of 1986." It is administered by the CAL/EPA's office of environmental health hazard assessment (OEHHA).

The law requires that no person in the course of doing business shall knowingly and intentionally expose an individual to a chemical known to the state of California to cause cancer or reproductive toxicity without first giving a clear and reasonable warning. An official list of these substances is published and periodically updated by OEHHA. The list can be accessed at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>.

Due to the presence of lead in certain aluminum, copper, and steel alloys, Advancement International Ltd provides product labels on the affected items that include the following warning:

WARNING: This product can expose you to chemicals including lead, which is known to cause cancer, birth defects, or other reproductive harm. For more information go to p65warnings.ca.gov

Certificate of Conformance

IHI further certifies that the parts shipped are made in conformance with materials and processes shown in the IHI sales catalog drawing provided to the customer at the time of order.

For International Hydraulics Inc.,

CDM Ridley, President, IHI
