Conflict Metals Declaration

March 23, 2015

Brumall Manufacturing Corp. requests that all our suppliers comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act (or the "Dodd-Frank Act"). With specific regards to the requirement of public companies to produce their use of conflict minerals that originate in the Democratic Republic of the Congo ("DRC") or an adjacent country.

Brumall Manufacturing Corp. uses a supplier examination database to review our suppliers, using the normally accepted Electronic Industry Citizenship Coalition (EICC) form. We are pleased to report that suppliers of our raw materials have confirmed they are compliant with all requirements, and are free from conflict metals.

If you have any questions or concerns about our products, please contact our team and we will help you.

Respectfully,

A handwritten signature in black ink that reads "R. Beaulieu".
