To Whom It May Concern:

Regarding the information requested concerning Hillsdale Terminal Manufactured Products:

Hillsdale Terminal is aware of the "Restriction of Hazardous Substances" Directive, citation 2002/95/EC and 2003/11/EC, and Directive 2011/65/EU commonly known as RoHS1 and 2. These Directives restrict the use of specific substances in electrical and electronic equipment sold in the EU beginning July 1, 2006.

These six restricted substances in RoHS 1 are:

1. Lead
2. Mercury
3. Cadmium
4. Chromium VI
5. Polybrominated biphenyls (PBB)
6. Polybrominated diphenyl ethers (PBDE)

Also, Hillsdale Terminal does not use any of the following which can be considered similar in nature to the brominated materials in RoHS:

1. Pentabromodiphenylether (PentaBDE)
2. Octabromodiphenylether (OctaBDE)
3. Decabromodiphenylether (Deca BDE)

Accordingly, Hillsdale Terminal does not intentionally add these substances to the **Terminal Products**.

Therefore, as of this date, the **Hillsdale Terminal Products** are in compliance to the RoHS 2 directive.

Keep in mind that all of our PVC based insulators are produced with polyvinyl chloride resin that may contain trace levels, < 0.001% by weight of vinyl chloride monomer, which is a listed California Proposition 65 chemical. Please refer to the MSDS for our PVC compounds.

The **PVC Insulators** also do NOT contain any Copper, Beryllium, Nickel or Nickel based materials, Red Phosphorous, Latex, Melamine, Bisphenol A (BPA), DEHP (or DOP Plasticizer), Perfluoro-octane Sulfonates ("PFOS"), Polycyclic Aromatic Hydrocarbons (PAHs), Chlorinated Solvents, Dimethyl Fumarate (DMF), PCBs, Asbestos or DMF (Dimethyl Fumarate) compounded into the products.

In the United States, ozone-depleting substances are regulated by the EPA as Class I or Class II controlled substances. Accordingly, Hillsdale Terminal does not intentionally add these substances to the **Hillsdale Terminal Products**.

The **Hillsdale Terminal Products** also do NOT contain:

March 1, 2013

To Whom It May Concern:

RE: Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) (EC) No 1907/2006. Substances of very high concern (SVHC) as listed in the Annex XV report prepared by ECHA (European Chemicals Agency) Last updated January 13, 2010.

Part #'s: ALL MANUFACTURED PARTS Made by Hillsdale Terminal

The Hillsdale Terminal product listed above is not formulated with any of the substances of Very High Concern as identified under Annex XV of the REACH regulation.

These substances are not intentionally added nor are they expected to be present in the material used in manufacturing these parts.

If you have any questions or require further information, please feel free to contact us at any time.

Sincerely,

John R. Condon
